Chief, Records Administration Staff, DDS

Permission Requested by NSA to Visit Archives and Records Center

25X1

1. [redacted] Chief, Management Engineering Division, National Security Agency, has requested permission for himself and 5 associates to visit our Archives and Records Center on 22 or 29 September, whichever is preferable to you.

25X1

2. During the last 10 years members of the Records Administration Staff and Chief of the Records Center. [redacted] have met with

25X1

[redacted]
same location. Can you arrange for the following persons to visit our Records Center on one of the dates indicated above?

25X1

[redacted]

It is my understanding that all of the above people have at least a Top Secret clearance.

3. Will you advise me when arrangements have been made for this visit? I assume that any briefings or security agreements will be arranged at the time of their visit.
